Co-op Challenge

How to Play:

- ❑ Two teams of equal numbers (one die)
- ❑ First Team to go - based on who's birthday is up next. (*This will become Team A and the other Team will be Team B*)
- ❑ One player from Team A then selects a playing card and reads the phrase on the card. Keep this safe and do not share with your team.
- ❑ Team B then rolls the dice. Based on the number, this then selects the category for Team A to use. The players from Team A must then guess the phrase, as described by their player. You have 2-minutes to do this.

Co-op Challenge

Scoring:

- ❑ 3 points for every phrase correctly guessed by the team enacting.
- ❑ If not guessed, the Opposition Team may take a guess.

To Win:
